

GO![®] Rob Peter to Pay Paul-7" Finished (2-Die Set)

Item Number: 55068

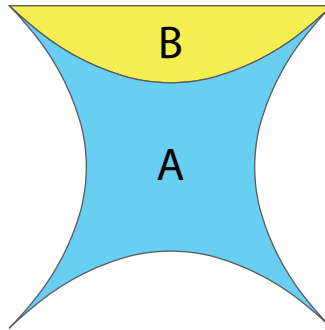

How to Sew the Rob Peter to Pay Paul Quilt Block:

Step 1

Remove cut pieces from dies and lay out as shown.

Step 2

Pin one piece B to piece A right sides together matching center notches. The point end of piece B will extend about 1/4" beyond the squared off end of piece A. Stitch with a 1/4" seam allowance, with piece A on top, easing the two curved edges to match. Carefully finger press seam allowance toward B pieces after each seam is stitched. Place iron on seams to set finger pressed seams. Avoid pushing fabric with iron which can cause block distortion.

Step 3

Following Step 2 instructions, pin and sew second piece B to center piece A.

Step 4

Continue to pin and sew third piece B to center piece A.

Step 5

Once block is complete, trim off dog ears from block corners. Block should measure 7 1/2" x 7 1/2".
