

GO![®] Santa Stocking

Item Number: 55854

How to Sew the Santa Stocking:

Step 1

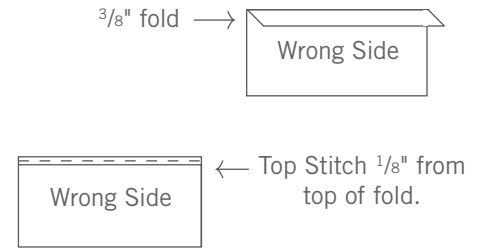

Cut two cuffs.

Step 2

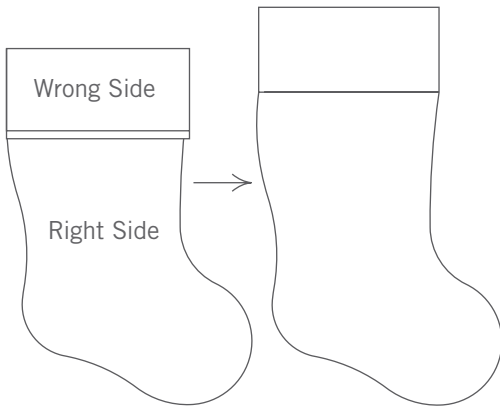

Cut two stockings. The stocking is a directional shape so be sure to fanfold fabric, cutting wrong or right sides together.

Step 3

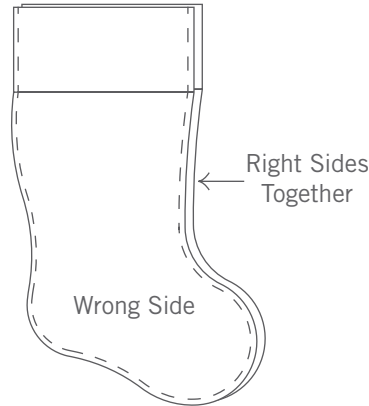

Make a $\frac{3}{8}$ " fold on cuff by placing wrong sides together and pressing. Top-stitch $\frac{1}{8}$ " from top of fold. Repeat with second cuff.

Step 4

Place cuff and stocking right sides of fabric together. Sew cuff to top edge of stocking. Press towards stocking. Repeat with second stocking and press towards cuff so seams interlock.

Step 5

Place right sides of stocking/cuff together and stitch. Leave opening at top of the cuff. Be sure to backstitch at beginning and end of stitching. Attach hanging loop, if desired. Clip curves up to the stitch line, where needed. Turn right sides out and press.

Step 6

Personalize your stocking using GO! Alphabet dies or your favorite embroidery designs.
