## Features

Up to 820 Stitches per Minute

30 Built-In Stitches

Adjustable Stitch Length & Width

Needle Threader

Built-in Thread Cutter

Drop Feed Function

Soft Machine Cover

Light Weight 5kg

The Janome DC1000 is a computerised sewing machine designed to be simple, fast and fun. The perfect light-weight machine for classes or travelling. Features a clear bobbin cover allowing the user to quickly check the remaining thread on Janome's clear bobbin; needle plate markings make seaming fast, align fabric to the required mark and stitch. The built-in needle threader makes threading a breeze.

Suitable for beginners or everyday sewing, the 30 built-in stitches allow you flexibility - applique, decorative, satin, heirloom, stretch fabrics, blind hem, buttonhole, everyday stitching. With a sewing speed of up to 820 stitches per minute and ability to sew a variety of fabrics, this machine is easy to operate, light weight and portable using the easy-carry handle.
